VIGILANTES

The first 72 hours are all that counts.

A former lawbreaker, Castaneda is also a loving father with a somewhat headstrong personality, who hasn't always walked on the right side of life. But these days he has only one goal: to give his daughter the very best he can. To achieve that, he takes odd jobs and does everything in his power to conform to society's norms. But things take a turn when his daughter goes missing and he is prepared to do whatever it takes to find her. When someone disappears, the first few hours are critical, but the police stations are understaffed... So, Castaneda decides to take matters into his own hands, and investigate himself with the help of other individuals, normal everyday people without any diplomas, or privileged backgrounds, who are just willing to scour the countryside to track down the kidnapper.

Anti-establishment, resourceful, and very much in touch with the people, could Castaneda and his team be in a much better position than the police to find her?

Adolescence is a tragedy. Yet, thinking about it, it's also a comedy. So, to tell the story of adolescence, why not rely on the greatest playwright of all time?

In this series, Thomas, our Othello, is no longer the brave leader of the Venetian army, but the unflappable leader of a Parkour crew. By his side, we find the good-humoured Michele and the quick-witted Gaia. They all get along well, until they meet Beatrice Virgili, the most beautiful girl in school, who both Thomas and Gaia end up falling for. When an intense romance develops between Beatrice and Thomas, Gaia, struck with envy towards her friend, hatches a meticulous plan to separate the two lovers. Gaia's underhanded persuasion tactics take effect and Thomas' insecurities erupt into a blind jealousy that ends up destroying his love for Beatrice and his friendship with Michele. In a season finale where no one comes out on top, the real tragedy for the protagonists is their awareness of adulthood and their sense of disenchantment whilst also having the opportunity to investigate their own frailties, work through their mistakes or, simply grow up!

A CASE FOR KIN

Town and country mouse fighting crime in the French countryside.

Caroline and François, played by Sylvie Testud and Samuel Labarthe, come from a dynasty of cops. Although they're siblings, they form an unorthodox detectives duo, with methods that complement each well, yet at times conflict. She is on the "hyper" side, thinking and acting like a typical member of the anti-crime squad of Paris' notorious Seine-Saint-Denis suburb; he is the tortoise of the fable, moving slowly but steadily, using his knowledge of animals to decipher people's behavior. This "town and country mouse" tag team appears ruthless, tight, unshakable but as they go about their investigations, they can't help replaying their sibling quarrels, which reflect their respective emotional wounds, that still need to be healed.

It has strong relationships both with historical and new local linear broadcasters and worldwide streamers.

Federation co-finances projects in the early stages and accompanies partners in their specific production needs throughout the entire creative process.

The sales team at Federation is jointly led by **Monica Levy** (former Zodiak Media) and **Guillaume Pommier** (former Lagardère / Mediawan), two leading figures in the field of international distribution.

What they say about our programs

BARDOT

Like Bardot, the series is a sexy breed with a prestige pedigree.
Variety

A perfect art of casting... The sensual and touching beauty of Julia de Nunez, her slow phrasing and her hoarse voice turn Bardot into a shock of cinema, sorry, of television.
Telerama

ONE OF US

A great cocktail of authenticity, audacity and joy.
Le Figaro

A series that will change the way people look at disability.
20 Minutes

KIDS IN CRIME

One of 2022's most successful shows for TV2 : high energy and punchy episodes.
Variety

An unusual coming-of-age series.
Deadline

AROUND THE WORLD IN 80 DAYS

It's all here—exotic locales, witty, charming characters and absorbing episode arcs.
The New York Post

An ode to travel... A big, lively and timely adaptation.
The Guardian

The series stands as a perfect example of television that can bring the whole family together.
