PREMIUM TEEN LIVE ACTION

FIND ME IN PARIS

A premium hit tween series that combines world-class ballet, hip hop, drama and comedy.

Currently aired in over 80 territories.

Find Me in Paris is the story of time traveler Lena Grisky, a Russian princess from 1905 who has made a life for herself in modern day Paris after accidentally traveling through time. After some adjustments, Lena's managed to shine at the elite Paris Opera Ballet school, juggling the cutthroat world of ballet, the exciting new world of hip hop, teen politics, having to choose between her new boyfriend Max and her old boyfriend Henri, almost losing her best friend through a time portal, getting expelled and accidentally landing in 1983, with her best friends in tow.

In Season Three, Lena's determined to seek out the answers to all the big questions. Who is she? Why is everyone so interested in her and her time-piece? Will she go back to 1905 or fight with everything she has to fulfill her dream of dancing with the Paris Opera Ballet company? The deeper she digs into who she really is, she discovers she has what it takes to become a great étoile.

THE NEW ADVENTURES OF THE TRIPLETS

by Nicole Lambert

The New Adventures of the Triplets chronicles the comic escapades of three loveable children— each of whom has his or her own unique way of looking at the world.

Yet despite their very different points of view, together they make a successful and fun team as they explore each new surprise or challenge in their young lives. Young viewers will easily recognize different aspects of themselves in each of these energetic characters, identifying with them as the trio learns to navigate the same daily situations that the viewer may face. But it is the Triplets' unique and humorous approach when confronted by something new that may very well inspire children everywhere to look at new experiences in a whole different light. Throughout their lighthearted adventures, the Triplets will meet a variety of memorable characters drawn from real life— characters who will show them even more ways of looking at the world around them.

SQUISH

52 X 13'
ANIMATED COMEDY FOR KIDS 6-11

SQUISH

A daily life comedy on a single cell level!

An animated comedy about everyday school kids and their friendships, their parents and all their efforts to fit in. The series follows the adventures of a twinkie-eating grade school amoeba trying to find his place in a single-cell world.

Set in Small Pond, Squish's home town looks suspiciously like any ordinary suburb, with its tidy streets, schools and homes...with one small difference: Small Pond is inhabited solely by single-celled creatures... These guys act just like us with a few unicellular quirks: algae are the cool kids, parasites can't be trusted and, of course, bacteria always make a mess of everything.

Based on the original book series by New York Times best-selling authors Jennifer Holm & Matthew Holm, SQUISH is published by Random House Children's Books in North America where it has been a readers' favorite with a collection of 6 books and more on the way.

TINA & TONY

Tina and Tony know what a real friendship is, tested by mischief and adventures!

Baby hippo Tony and baby elephant Tina are two best friends. They live in a "Cookie" village, which is full of miracles, adventures and merry friends. This cozy world is a reflection of games which happen inside the kids rooms, where kids make their own rules and make their favourite toys alive by force of the fantasies. Unlike the real kids' games, where the parents are not usually permitted to trespass, Tina & Tony's world is always open for the parents – a light irony, jokes and the characters' adventures will be interesting for both kids and their parents.

THE LARGE FAMILY

They are funny. They are lovable. They are always in chaos.
And they make a huge impression on young audiences
everywhere!

The Large Family has big dreams, high hopes and enormous piles of washing! Mrs Large dashes about like a whirlwind looking after her four children: Lester the coolest nine years old in town (or so he thinks!), the practical and creative Laura, bright spark Luke and mischievous baby Lucy while Mr Large manages to stay remarkably calm.

The stories reflect the everyday lives of this all too human elephant family, the school lives of the children, activities like going swimming or camping, the sometimes-fraught relationships with their upwardly mobile neighbors. And at the heart of it all, a family that really cares for each other.
