LES MISÉRABLES: THE STORY OF JEAN VALJEAN

(JEAN VALJEAN)

The origin story of one of literature's greatest heroes.

Jean Valjean is released from prison after nineteen years of hard labor, violence, and suffering. Filled with anger and a deep sense of injustice, he has become a dangerous man who trusts no one and nothing. When he arrives in a small village in Provence, he is repeatedly turned away. Desperate, he unknowingly finds refuge at the house of Bishop Bienvenu, who lives simply, with his sister and a single servant. There, he is surprised by their warm welcome, and his inner demons start to waver. But the temptation to be what society sees in him still haunts him, and he steals the Bishop's silverware. When the police ultimately catches him, the Bishop forgives him and gifts him the candlesticks. This act becomes the starting point of Jean Valjean's transformation into a new man who reclaims his humanity.

LA SCALA: THE FORCE OF DESTINY

Making an opera masterpiece.

Legendary opera house, La Scala is more than just a stage— it's a dream factory. And this year, over 4 intensive months, 900 people will work relentlessly to incarnate Verdi's opera masterpiece, "The Force of Destiny". Under the masterful eyes of director Léo Muscato, we will follow Federica Parolini, the set designer, as her sketches evolve into towering architectural marvels crafted by dedicated artisans. In the costume workshop, Silvia Peroni and her team weave magic with fabric and thread through their expert hands. Then, a stellar international cast of virtuosos arrives in Milan, ready to fill La Scala's hallowed halls with their soaring voices. But nothing is guaranteed. With the clock ticking, and expectations going through the roof, tensions unfold like an opera of its own. As Milan holds its breath for the legendary Prima, the 7th of December, the stakes could not be higher. Will they be ready for curtain rise? This is not just about an opera — it's about the hands that shape a dream, and the magic revealed when music, artistry, and humans collide and give birth to perfection.
